

New Lake Cave Events Deck a unique experience

The Augusta Margaret River Tourism Association (AMRTA) is pleased to announce the completion of its spectacular new Events Deck at Lake Cave - an innovative new venue for functions, weddings, performances and special events.

Officially to be launched by Ms Stephanie Buckland, CEO of Tourism Western Australia, on October 22 – the Lake Cave Event Deck is open for business and event enquiries.

Located 15 minutes from the Margaret River township, the deck suspends out over the collapsed cavern (doline) of Lake Cave and is surrounded by towering karri trees, presenting a unique setting in which to hold weddings, functions and gatherings.

Licensed to hold 150 people, the deck was built from local timbers and features special glass port holes on which patrons can stand on and view down into the doline, from which the majestic karri trees grow.

AMRTA Acting CEO Jayme Hatcher said the deck was a truly extraordinary architectural feat and was sure to provide an unforgettable experience for those who chose it as an event venue.

"The Lake Cave Events Deck is a stunning new venue for functions in the Margaret River region – whether it is a cocktail party, a fully catered sit-down dinner, a wedding or a product launch – you name it," said Ms Hatcher.

"We are extremely proud to have created such a beautiful and remarkably different functions venue for the region – it really stands apart from the crowd."

"We are confident that people are looking for unique venues for functions these days, and the deck certainly will ensure an unforgettable occasion," said Ms Hatcher.

The Lake Cave Events Deck is available for bookings 7 days a week (excluding Christmas Day), and is available for day and night use and can be lit as required.

For more information or to enquire about the deck, contact Caveworks on +61 8 9757 7411 or email caveworks@margaretriver.com.
