

Southern Districts Historic Vehicle Club's annual "Wendee Rally"

Historic Vehicle Rally

at Mittagong

Sat 13th to Sun 14th Feb. 2010

The public are welcome to a **FREE DISPLAY** of over 100 historic vehicles from 1907 to 1980 at Mittagong Public School on **Saturday morning only** including a **guided tour** of selected vehicles at 11:00am

Our Club welcomes all historic vehicle enthusiasts to register for our major annual rally – a weekend of country hospitality and restoring through the beautiful Southern Highlands.

For registered participants the programme includes meals and morning teas, drives on Saturday afternoon and Sunday morning, a "Wendee" theme-dinner-dance on Sunday night and the presentation of trophies at Sunday lunch.

New features this year will be:

- Vehicles will be parked in pre-arranged traffic stacks (with a few exceptions). This will help out the organiser which has worked over the last century.
- There will be **guided tour** of select vehicles on the Sunday morning from 10.00am. The owners will be interviewed to explain some of the history and interesting facts about their vehicle.
- Sponsors will be invited to set up displays with showing their products.
- A **planning committee** for entry and presentation of all 2010. Contact of club participants will be via Mittagong Public School secretary.

For more information and registration details contact:
