A PERFECT 10!

Southern Highlands based manufacturer Alpine Berry Farm was the very proud recipient of 10 medals for their jams, marmalades and sauces at the Royal Hobart Fine Food Awards held 14-16 August 2009.

"We were so excited and honoured to be awarded these medals as we were judged against the best producers from around Australia", said owner Alyssa Hatcher.

The medal winning products were **GOLD** for Raspberry Jam and Raspberry, Rhubarb & Vanilla Jam, **SILVER** for Blackberry Jam, Lite Five Berry Jam, Fig Jam, Seville Orange Marmalade, Lemon Lime & Ginger Marmalade and Blackberry Sauce and **BRONZE** for Apricot Jam and Sour Cherry Jam.

Alyssa says, "This is the first time we have entered 9 of the 10 products for judging so were surprised and gratified they all won medals. We entered our Raspberry Jam in 2005 and won gold so it's now a **Double Gold Medalist!**" The owners of Alpine Berry Farm attribute their success to making all their products by hand using the best available produce and no artificial flavours or colours.
