EMPORIUM &
ANTIQUÉ MARKET

WHAT'S NEW AT DIRTY JANES EMPORIUM & MARKET

One of the wonderful things about shopping at Dirty Janes is that you never know what you'll find. With new deliveries arriving daily the stock is constantly changing in both our Emporium & Market. The Market now houses over 60 individual dealers and is located behind the Emporium with parking off Banyette Street. A new shipment of American Antiques recently arrived, so the Emporium is jam packed with new pieces including armoires, lounges, dining chairs, bedroom chairs, bookcases and more. Early April another shipment lands, this time from Europe. Keep these dates in mind and come in early before the loads sell out.

Our long awaited cafe is now open in the market, offering a traditional tea house experience with an abundance of vintage china and silverware. Offering High Teas, Devonshire Teas, Ribbon Sandwiches and more. The perfect destination to catch up with friends or to celebrate a birthday with a bit of shopping thrown in!

Talented local stylist Suzie Anderson of French & Country (formally Hopewood Country House) has expanded her space in the market, taking over the 'Coach House Antiques' section located towards the rear of the market. This space is now impeccably styled with an even larger range of Susie's impressive French Country Antiques and Vintage pieces.

Dirty Janes is also now home to a fabulous garden space situated in the courtyard between the Emporium and Market, known as The Potting Shed. Local gardening enthusiast Maureen Gardner has transformed what was once a drab concrete thoroughfare into a gardener's paradise with quality gardenware, trees, topiary and more. If you're a keen green thumb you'll love all that's on offer at The Potting Shed.

Our first Champagne Supper Charity Evening for 2014 will take place on Friday 2nd May. We're very excited to have Lucy Perry, CEO of Hamlin Fistula Ethiopia (Australia) talking of the amazing work of Dr Catherine Hamlin (Nobel Peace Prize nominee 2014). Lucy is a passionate and gifted speaker who takes audiences on a roller coaster ride of emotions as you learn about the truly inspirational work of Dr Hamlin and her team in Ethiopia. Hamlin Fistula

Ethiopia (Australia) is the fundraising entity for Dr Hamlin AC, the Addis Ababa Fistula Hospital, five regional centres and the Hamlin College of Midwives in Ethiopia.

Tickets are \$20pp with all money donated to Hamlin Fistula Ethiopia (Australia). Tickets are limited so RSVP early to avoid missing out. Ph 4861 3231 or email shopdirtyjanes@crowleyandgrouch.com
